Land Use Technical Assistance Charrette

The Land Use Map and policies are key components of the implementation of the Atlanta Strategic Action Plan, the City of Atlanta's new Comprehensive Development Plan.

Come join the Bureau of Planning staff on June 14th or June 23rd for a Land Use Technical Assistance Charrette. BOP staff will be working with community members on how to interpret land use maps and review NPU land use policies.

In order to provide enough maps for attendees, please RSVP by June 11 by contacting any of the planners below:

Jessica Lavandier at 404-865-8522 jlavandier@atlantaga.gov

Michele McIntosh-Ross at 404-330-6786 mmcintosh@atlantaga.gov
